Absolute bullsh*t a ploy to avoid investigating (SOLICITOR LAW) "A most serious disciplinary offence". The ALCD had Allocated their Member £5000 + £5000 part in the misconduct (so, that the solicitor WAS guilty under Law Society Rules it SOLICITOR not the Costs Lawyer that is responsible - so the solicitor and the "organ grinder fraudulent solicitor scam) go free because the SRA wish in idiotic willing-blind cover-up just as the old OSS/CCS did Bartrum turns a blind eye to the face of "the most inept letter ever" (Google it!)....
Inconvenience and/or distress suffered	Hours, days and weeks wasted was a HUGE insult.
